

THE DEEP UNDERGROUND MILITARY COMPLEX CALLED “RAVEN ROCK MOUNTAIN COMPLEX” SITE R AND MUCH MORE (VIDEO 10 MIN)

Description

In America alone there are over 120 Deep Underground Military Bases situated under most major cities, US AFBs, US Navy Bases and US Army Bases, as well as underneath FEMA Military Training Camps and DHS control centers. There are also many Deep Underground Military Bases under Canada.

Almost all of these bases are over 2 miles underground and have diameters ranging from 10 miles up to 30 miles across! They have been building these bases day and night, unceasingly, since the 1940s. These bases are basically large cities underground connected by high-speed magneto-levity trains that have speeds up to 1500 MPH.

The Black Projects sidestep the authority of Congress, which as we know is illegal. There is much hard evidence out there. Many will react with fear, terror and paranoia, but you must snap out of it and wake up from the brainwashing your media pumps into your heads all day long.

Are you going to be a rabbit in the headlights, or are you going to stand up and say enough is enough? The US Government through the NSA, DOD, CIA, DIA, ATF, ONI, US Army, US Marine Corp, FEMA and the DHS has spent in excess of 12 trillion dollars building the massive, covert infrastructure for the coming One World Government and New World Religion over the past 40 years.
