

## The Gown Of 'Regal' Maskless Hillary Attended To By Black Masked 'Servant'

### Description

**USA: A maskless Hillary Clinton arrived at the 2022 Met Gala on Monday evening, in a blood-colored custom gown.**

As she walked the red carpet, her gown was attended to by a masked black staffer in an image that gave off 'slave owner vibes'.

While many blasted the display, Varsity described Clinton, with her gown which had women's names sown into it, as 'Regal':

Hillary Clinton wears a Bordeaux-colored gown designed by Joseph Altuzarra with the names of historic women sewn into the hem and neckline.

They include Abigail Adams, Shirley Chisholm and Madeleine Albright.

[Summit News](#) reports: The dress wasn't what caught the eye of most though, rather it was the hired 'help' masked and making sure to attend to Clinton's length train:

But she commissioned the gown from a prisoner. Huh? That just adds to the slavey vibe.

fun fact! Hillary Clinton commissioned this gown from a prisoner in Southtown Arkansas County Jail. This is one of many examples of her support of jobs programs for incarcerated people.
