

The Impact Of Soros-Funded District Attorneys

Description

USA: Over the past few years we've noted with increasing frequency that billionaire George Soros has funded or supported **far-left political candidates** for office around the United States, particularly District Attorneys whose soft-on-crime policies have led to historic crime waves in major cities across the country.

It goes far beyond what we've reported, however.

Twitter researcher 'crabcrawler' ([@crabcrawler1](https://twitter.com/crabcrawler1)) has assembled perhaps the most comprehensive look at Soros-funded DAs, and how their absolute miscarriages of justice led to a crisis of confidence in the US legal system.

In an [impressive Twitter thread](#) that's too lengthy to feature in its entirety (one can click on any of the tweets to dive in), **crabcrawler illustrates how Soros DAs were supremely incompetent** while operating under the guise of providing "reforms" that did nothing but create chaos.

Examining the impacts of the legal leadership of the people Soros has funded is important because it has been a LONG long time in the making. He announced his plans all the back PRE-TRUMP era in August 2016. <https://t.co/PTGve4bAlk> pic.twitter.com/hXDKiABESA

Let's start with something easy. George Gascon. Los Angeles DA. <https://t.co/OO8sp3ge6o>

So imagine this sort of backroom BS but like, a billion times over. That's the power of the people that George Soros is putting into attorney offices around the USA.

You see this very obvious hit and run incident?

District Attorney George Gascon was incredibly light in sentencing the attacker. And he deflected criticism. <https://t.co/h5SeNq9Clf> <https://t.co/ZIDZEYdM6w>

> "It appears that the defendant was in some sort of a temper tantrum." former DA Chesa Boudin. <https://t.co/GjaRW4Mi9p>

Boudin is supposed to be a "progressive" but he slighted the Asian community, repeatedly. <https://t.co/kmqcoHGI65>

Now Philly DA Krasner has been around for quite a few years now. And like his west coast counterparts, Larry has:

— urged lighter sentences <https://t.co/2ZmegxuemW>

— pushed for "rehabilitative programming" <https://t.co/3GhN0bAeiZ>

The "bail reform" program enacted by Bexar County Texas DA Joe Gonzales amounted to VERY often bailing out REPEAT OFFENDERS. <https://t.co/k0y8XxsDLg>

"341 of them, or 76 percent, had been arrested at least twice before."

NEXT (also Texas. This time, Austin, Texas): Travis County's District Attorney, José Garza. Won in November 2020 <https://t.co/Jf6f9Numuu>, with some help from GEORGE SOROS > \$600,000 donations to a PAC <https://t.co/qKhCjJ9yqt> [pic.twitter.com/I9Xi2oFxaC](https://t.co/I9Xi2oFxaC)

The BIGGEST ol' blunder of State's Attorney Kim Foxx is her handling of the Jussie Smollett case.

A special prosecutor who investigated Foxx came to that very conclusion.

Virginia Commonwealth's Attorney Buta Biberaj:

— PROSECUTED the sex assault victim's dad. <https://t.co/LIRgifmOnC>

— BUNGLED the prosecution of the dad's daughter's attacker, so the teen did NOT have to register as a sex offender. <https://t.co/5FPXWnTYXq> [pic.twitter.com/6f7ZenS8yf](https://t.co/5FPXWnTYXq)
