

The Reason The Scamdemic Will Never End: Power

Description

Politicians, aka, the ruling class, never want this scamdemic to end, and for one reason: power. The more compliant the slaves become the more power they hand over to their masters. It's past time to figure out that government is a synonym for slavery.

Rahm Emanuel's classic dictum for power-seeking officials was: "You never want a serious crisis to go to waste." Now they've adopted a corollary: You never want a crisis to end once you made sure it didn't go to waste. No one cedes power willingly and the ruling class that lords over all of us now, in this current historical space, is no different.

Making vaccines available to every American adult is no longer sufficient; now the crisis cannot end until the entire population has been vaccinated. Instead of focusing efforts on vaccinating the vulnerable, officials obsess on compelling universal obedience, even if that means squandering vaccines on people who already have acquired natural immunity or are at minimal risk of serious illness. —[New York Post](#)

If you still think this a "liberal" or "democrat" issue, the delusion that the right master commanding your life will make all the difference has set it. [The left vs. right paradigm lie](#) is just that, a lie and an illusion of choice. Slaves have no choice.

And don't forget the forced vaccination clause conservative "hero" Ron DeSantis signed into law while tricking the slaves into thinking it was about freedom:

They know they are congealing power and they know that people are figuring that out. The problem comes when a critical mass of us slaves finally realizes we are slaves and make the conscious decision to no longer be. That is probably when our preps will be needed, because, as I said earlier, they will not cede power willingly.
