

The Theft Of The 2020 Election is The Greatest Crime in American Political History

Description

USA: Hillary's coup and the stealing of the Presidential 2020 elections have been by far – the worse thing that has happened to America.

The consequences are visible and have reached out from our own boundaries.

Many have been warning in numerous attempts that if the 2020 Election fraud wasn't addressed, it would happen again.

And regarding the same matter, President Trump shared the comments from a reader at the New York Post that stated why we must determine what happened in the 2020 Election.

How can we fix fraud if we don't really know what all happened?
