

The vaccine agenda was designed to bring down the economy

Description

Start doing everything the corrupt government tells you to do and you will be broke, sick and starving in no time flat. In America, fear is big business, and within just two years, the propaganda machine of virus mania hand-walked 270 million Americans right to the poison well – submission by vaccination. Like David Copperfield making the Statue of Liberty disappear live on television, the vaccine industrial complex used smoke and mirrors to make Constitutional liberties disappear and medical freedom go up in flames, right before your very eyes.

That's right folks, step right up and witness the impossible! — lockdowns, depopulation, stay at home orders, halting port operations, printing stimulus money to keep everybody at home, the supply chain collapsing, mass joblessness and the bankrupting of small businesses, it was all hinged on the vaccine agenda. If you can't see the forest for the trees, it's time to get a helicopter view. You will be astonished.

The REAL REASONS why COVID-19 “vaccines” are not manufactured to function like all other infectious disease jabs

Ask yourself two simple questions about the so-called COVID-19 “vaccines” and the answers will surprise you in the biggest way. The vaccine industrial complex does not want anyone asking these questions ever, and these two questions will never be posed on national media or answered by the CDC. Question #1: Why didn't Big Pharma create the COVID-19 “vaccines” to function in the same way all other vaccines have functioned to this day? Question #2: Why are so many “fully vaccinated” people catching, spreading and dying from COVID-19?

Answer to question #1: The COVID-19 “vaccines” are NOT vaccines at all. They are designed to cause severe inflammation and exacerbate pre-existing diseases and disorders in order to make Big Pharma big bucks and lower the world's population significantly.

Answer to question #2: The COVID-19 “vaccines” do not prevent contraction or transmission of the virus. They also do not prevent the more grave cases of it, or even death from it, because the [spike proteins](#)

are not the same as the so-called “wild” virus, that was genetically modified in a Wuhan laboratory.

How does all of this play into crashing the economy? Simple. As the workforce dies off or is too sick to be employed, they collect disability and “stay-at-home-for-free” checks from the O’Biden Administration.

That keeps them all voting for more free money while decimating all of their liberties, including medical choice and gun ownership. Meanwhile, the clot shots go to work on everyone, sending them to doctors, hospitals and graveyards by the millions.

Inflammation, blood clots and heart problems are not “side effects” of COVID-19 jabs; they are exactly WHY the injections were created

In order to fully crash the economy, it is very important for the Democrats in Washington DC, working side-by-side with Big Pharma, to incapacitate as much of the work force as possible. Got pericarditis or myocarditis? Off to the hospital you go for the most expensive diagnostic tests you’ve ever seen. You might even need a pacemaker.

Got rare blood clots out of the blue? That’s why all of independent media calls them the “clot shots.” Time to have those removed. Could cost a few hundred thousand dollars? Got that? The New World Order IRS agents will make sure you pay, or go to jail for not paying.

The vaccine agenda was designed to bring down the economy. Can you see it? By submitting to the vaccines, the majority of the populace is also submitting to the entire virus mania agenda. Are you wearing your mask like a good little peon? Are you getting tested regularly with fake, false-positive PCR test kits you have conveniently at your home? Will you blame the chronic inflammation, blood clots and irregular heartbeats on the lab-made disease or the lab-made vaccines?

All other vaccines function differently than COVID-19 jabs

COVID-19 gene therapy injections are designed to make the sick sicker, to prevent births of new children (vaccine-induced spontaneous abortions and miscarriages), and to keep today’s children from reproducing more humans in the coming years (that’s why spike proteins target the ovaries).

All other vaccines contained contaminants to make people sick and dumb, including genetically modified viruses and mercury (think multi-dose flu shots). But the Fauci Flu jabs contain nanotechnology for invading and crippling vital organs, including the heart, brain, liver and ovaries/testes. This is the ultimate population reduction “mechanism” and will ultimately cripple the US economy.

Got Spike Protein Syndrome? Billions of humans are infected now. This helicopter will be “landing” soon. Beware of the clot shot boosters. And watch out for a Chinese (CCP) land invasion, “magically” coming from the farmlands they are purchasing while you read this.
