

THE VERDICT IS IN: They're deliberately killing us with the Covid 'vaccine' bioweapons!

### Description

## ***Super Vaccination Agenda*** **Being Implemented Worldwide** **via Genocidal Bioweapons** **Disguised as COVID-19 Vaccines**

**COVID-19 Bioweapon + Covid Vaccines + 5G Frequencies =  
Extinction Level Event**

**Alas, we state the obvious: the Covid 'vaccines' are not vaccines at all; they were never meant to be.**

Each of the *Big Pharma* injections was formulated as a highly sophisticated bioweapon designed to kill, debilitate, sicken, incapacitate and/or injure the unfortunate victims.

To date, all of the scientific, anecdotal and circumstantial evidence clearly points to painstakingly bioengineered "Covid vaccine" that was foisted on humanity in order to depopulate the planet.

These extremely risky experimental 'vaccines' have been administered without regard for the individual's age, health status, allergic response(s) or capacity to properly detoxify the extremely

harmful ingredients.

## **Graphene Oxide & 5G**

It's of paramount importance to understand why such a large volume of a known toxin such as graphene oxide has been put into these 'vaccines'.

From the very beginning it was correctly observed that there was a direct correlation between COVID-19 outbreaks and 5G roll-outs around the world.

In fact, all the first major SARS-CoV-2 clusters mushroomed in major metro areas that had just undergone the military deployment of 5G in 2019.

Therefore, the established connection between those coronavirus epidemic explosions and flipping the switch on the 5G power grids is now undeniable.

This critical data point informs an emerging scientific narrative that's now being explored by an experienced and qualified team of Spanish researchers.

## **Bioterrorism Conspiracy to Commit Global Genocide**

Where it concerns this complex criminal conspiracy to commit mass murder, there simply is no defense for any of the malevolent co-conspirators—*Big Pharma*, the American Healthcare System, the Public Health Agencies of the US Government, WHO, B&MGF, etc. Each of these institutions was well aware that vaccines don't work and have never worked.

Not only do vaccines not work as alleged by the Big Pharma-Medical-Government Complex, they're actually manufactured as weapons of mass death and disease.

With the roll-out of every COVID-19 vaccine program around the world, it's now clear that the explicit purpose of the Covid *Super Vaccination Agenda* was to conduct a slow-motion extermination of the human race. Of course, many of those who do not die from the different Covid jabs will inevitably suffer a fate much worse than death.

Anyone who does not believe this ought to listen to this former *Big Pharma* executive who has literally put his life on the line to get the shocking truth out about this rapidly unfolding *Extinction Level Event*.

## Conclusion

The former Russian biowarfare expert warned us last year that the COVID-19 'vaccines' were intentionally created as lethal and injurious bioweapons.

However, what she did not tell us is just how convoluted this genocidal plot truly is. For those who are

not killed by the killer jabs, they will certainly be seriously debilitated the more Covid injections they receive. Each booster is meant to turbocharge the previous shot in ways that will produce myriad medical ailments and crippling health conditions.

As for the true purpose behind the various Covid injections — for those who are able to survive them — there's one primary goal that the *New World Order* globalist cabal is dead set on accomplishing.
