The World Health Organization is a One World Government

Description

Did you know the World Health Organization has been literally set up to operate as a one world government?

Did you know that when the WHO declares a pandemic, the **laws of all the nations are nullified,** and the entire world is submitted to the so-called 'constitution' of the WHO?

Did you know the WHO can at any time declare a pandemic, based on any **fraudulent diagnostic tool?**

Did you know the WHO declared the current pandemic based on the severely flawed PCR test, which produces up to **94% false positives?**

Did you know that all the nations of the world are now bound to **unquestioning submission** to whatever guidelines the WHO issues?
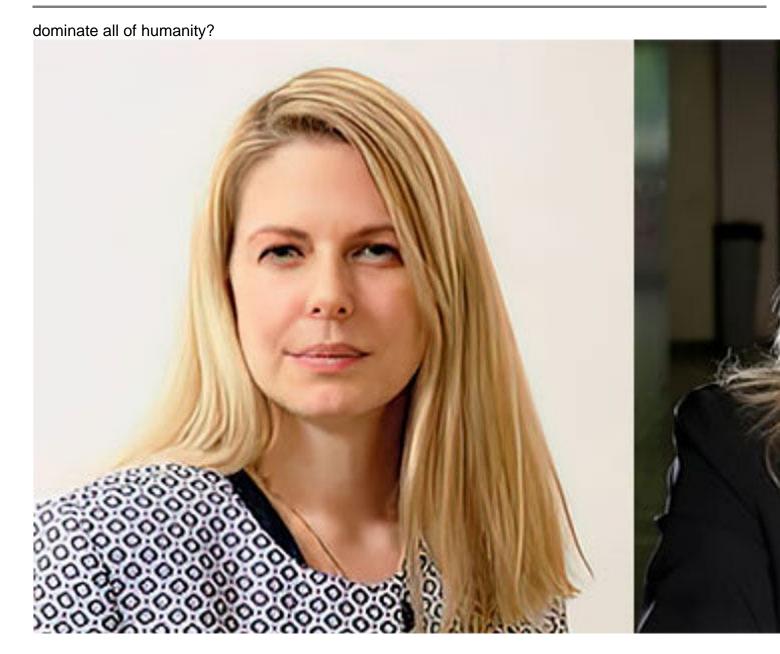

Did you know the WHO is owned and controlled by **private individuals** who are not democratically elected by anyone?

Did you know this makes the WHO effectively a private entity that rules the entire world – **outside any form of democracy?**

Did you know the entire health system of our world is **owned by financial oligarchs** who use it to

dominate all of humanity?

Dr. Silvia Behrendt and Dr. Astrid Stuckelberger held leading positions in the *World Health Organization* and the *United Nations.* They reveal how the WHO has strategically infiltrated all the nations of the world with the purpose of abolishing democracy and imposing its own tyranny on all of humanity.

The WHO has its own "constitution", a word carefully chosen with the purpose of replacing the constitutions of the nations.

The nations of the world are bound to unquestioning obedience to whatever the WHO says, effectively making it a one world government, operating entirely outside of national constitutions and any kind of democracy.

All this is done under the guise of "healthcare". The WHO's 'International Health Regulations' (referred to as IHR) were created in order to pave the way for this worldwide tyranny. All they need to submit the world to their fingertips of control is a method to declare a "public health emergency of international concern", which can easily be done with any fraudulent test. Dr. Behrendt has revealed that *there was no covid pandemic* until the flawed PCR test was introduced, which suddenly increased the so-called "cases" 14-fold. This PCR test, however, cannot detect any kind of infection or illness. It is pure fraud.

The WHO whistleblowers also expose how this totalitarian worldwide health system is entirely controlled by *private corporations and individuals* – who use their astronomical wealth to impose tyranny on humanity.

For example, in 2012, at the World Health Assembly, Bill Gates was declared the leader of the global vaccine plan 2012-2020, *although he has no medical qualifications whatsoever –* and according to his own words, is into vaccines because of the astronomical monetary gains. Gates' fortune has exploded to over $100,000,000,000 USD, thanks to his vaccine ventures.

> Gates has also became the main donor of the WHO, effectively controlling it. This means the entire world is literally ruled by Bill Gates.

What these two whistleblowers from the World Health Organization and the United Nations have exposed is that private entities have created a worldwide system that allows them to use the excuse of "health emergencies of international concern" to rob humanity of all rights and freedoms and implement

a totalitarian regime. Meanwhile they are making trillions of dollars…
