

## Treatment and Recovery for Victims of the Covid-19 Experimental Injections & Boosters

### Description

Dear Readers,

I know it has been a while since my last post so I hope that what I have to say and share today, makes up for my absence.

I am going to start by sharing [this video](#) published by a Naturopathic Doctor from **Together As One**. The information contained herein is critically important for people globally, who are experiencing “vaccine remorse” or are considering participating in the medical trial of a series of experimental injections that are meant to combat symptoms being allegedly produced by a “**Covid-19 Pandemic**” which symptoms and pandemic **have never existed from day one.**

For those who have unfortunately not survived the experiments as per below examples noted in exhibits A, B, C, D and E – may these victims of medical bio-weaponized tyranny be remembered always – R.I.P:

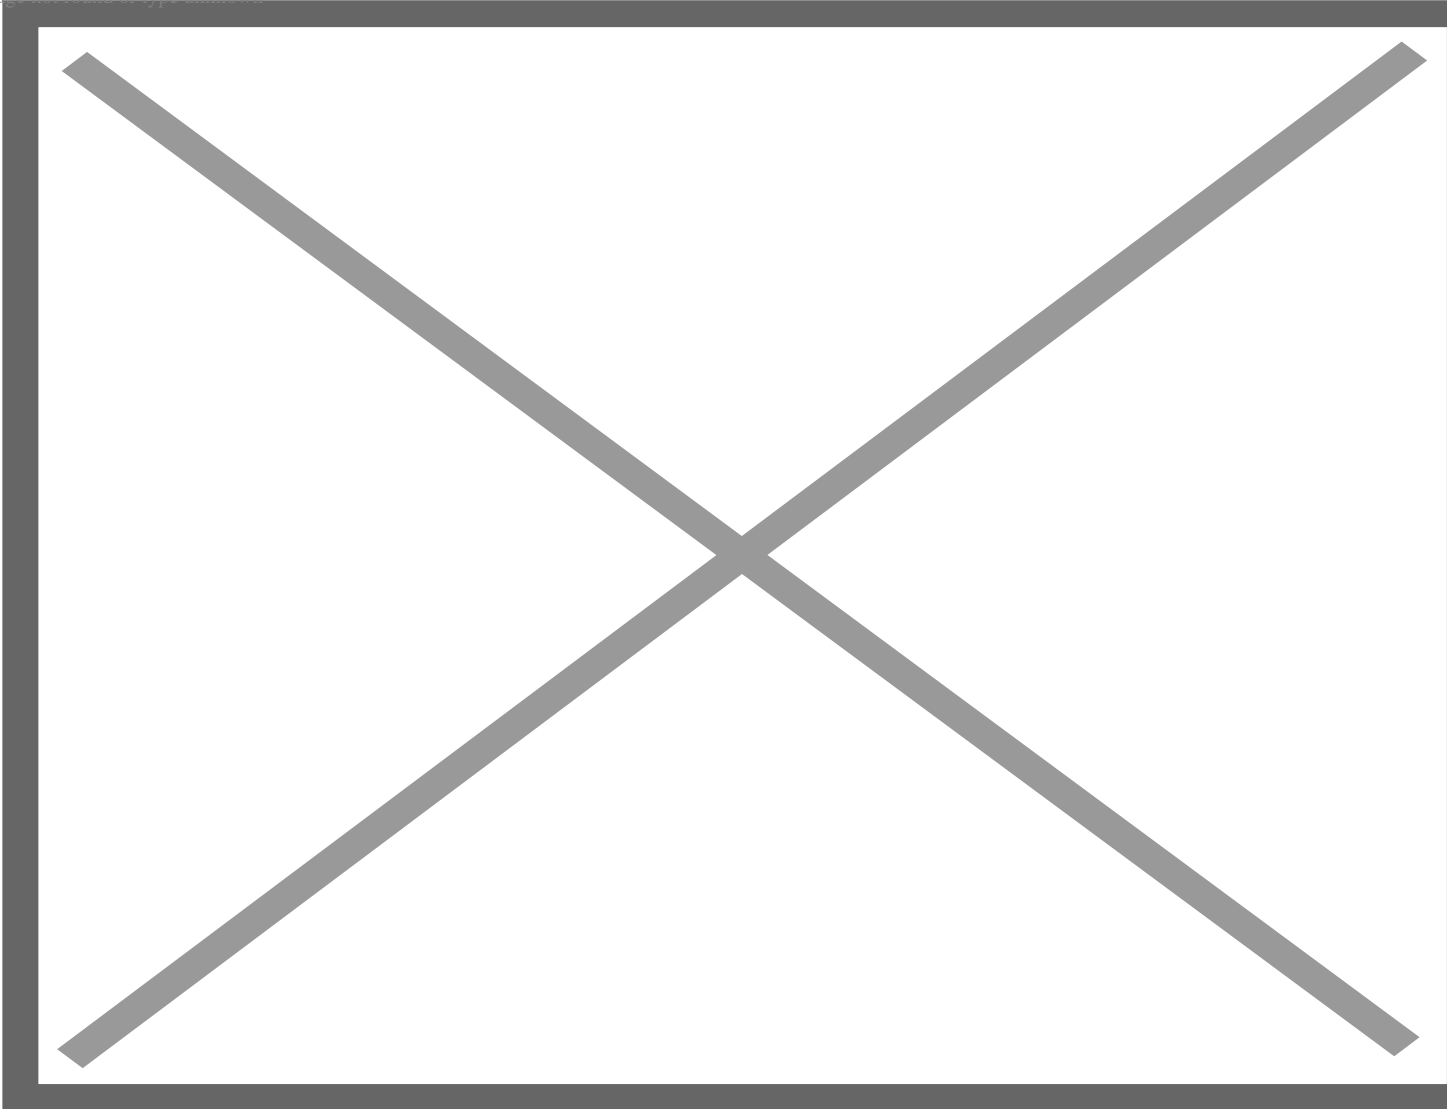

**A: Pfizer – [1227 deaths by February 2021 reported](#)** which report link and more are also embedded here: **[Maximum Global Bombshell: Judge Orders Pfizer, FDA to Release Documents – First Doc Dump Says Thousands Killed by Shot in First Month! For those who have managed to survive the bio-weaponized experimental injections so far, you will have noted from [the above video](#) that your continued survival will be reliant on one of two options:

**1. Becoming a lifetime cash cow for Big Pharma through having to accept continuous immune booster jabs for life**

**OR**

2. Becoming vaccine free by strictly following the advice of specialist experts who really do care about your long-term well-being and freedom.

One such expert who has provided the most comprehensive list of treatment ingredients to help jabbed victims detox from the bio-weaponized experimental injections, is South African well known Dr. Zandre Botha: [Doctor Finds Treatment For Vaxx Victims, Sees Major Improvement in Blood!](#)

Additional expert advice for jabbed victims can also be found in this '[Summary of the Spike Protein Protocol – update/if you know someone who has been injected and requires help, please provide them with this extremely empowering and helpful protocol as well as HOW TO DETOXYFY AND HEAL FROM VACCINATIONS – FOR ADULTS AND CHILDREN](#)

Have you ever wondered why medical aids and national health programs do not recognize natural medicine and/or cover the cost of such treatments? Because they cure, PERMANENTLY – where is the future financial return on investment from that?

I do hope that my above share helps thousands of individuals and I do hope you share this far and wide to all your networks and on all your social media platforms et al as it WILL save MANY lives.
