

Trump: Biden Has Done More Damage in 13 Months Than Worst 5 Presidents in History (VIDEO)

Description

USA: President Trump killed it at CPAC on Saturday night. The 45th President was quick to point out the horrible destruction of America by the Joe Biden regime. Trump compared Biden's record to the worst 5 presidents in US history.

President Trump: You could take the five worst presidents in American history and put them together and they would not have done the damage that Joe Biden and his administration has done in just a very short 13 months.

Trump was being generous.
