

Tucker Carlson: The White House Appears to Be Inducing Runs on Regional Banks to Make Way for CBDC (VIDEO 3 min)

Description

“We know we’re about to see bank consolidation — big banks eating little banks. And that means less competition. More consolidation means more government control. So what are they going to do with that control? Well, all things being equal, if people don’t start making a lot of noise and exerting an awful lot of pressure, it’ll mean digital currency.” _ _
