

Tulsi Gabbard Leaves Democrat Party; Calls Out New American Left as Woke Elitists (VIDEO 137 min)

Description

Tulsi Gabbard has liberals reeling today after she announced she was leaving the Democrat party and urged others to join. Though conservatives are hesitant to embrace Tulsi considering her history with the World Economic Forum. Owen Shroyer discusses this and takes calls. Shocking statistics on the Southern Border crossings and the number of criminal illegal immigrant entries including unaccompanied minors and terror watch listers. Who is Tiffany Dover and why is her story so interesting and important? Liberals are angry at Troy Aikman for something he said on Monday Night Football. If people are getting upset with this, then there are no limits. Lauren Boebert executes one of the most successful trolls in Twitter history.
