This is reported by the Sankei newspaper, citing its own sources. Tokyo is attracting a new defense alliance with the opportunity to use the technological advantages of the Japanese to develop hypersonic weapons.

While the invitation was unofficial. However, it is already known that there are those in the Japanese government who are in favor of joining the AUKUS. They believe that the military bloc will help them in the confrontation with China.

However, there were also opponents of such a development of events. They believe that cooperation with the United States and its allies should be limited to certain areas. Apparently, the development of weapons in the area of ??these interests is not included.
