This is Putin's war.

Senseless, tragic, and barbaric.

We must enact debilitating sanctions on Russia and cut them off from the global economy.

And, in the meantime, we pray for the Ukrainian people.

And an end to this madness.

An attack on Ukraine is an attack on democracy.

I applaud @POTUS for his forceful leadership in imposing the first tranche of swift & severe sanctions to counter Russian aggression.

The U.S. & our allies stand together in our unwavering support of the Ukrainian people.
