

## Ukrainian Nazis Mine Children's Facilities When Retreating In Donbass

### Description

**UKRAINE: The ongoing military operations in Ukraine confirmed that the strategy of the Ukrainian military command supposes the sacrifice of their own civilians.**

For example, Ukrainian servicemen mined civilian facilities when leaving their military positions which were established in schools, hospitals, social facilities in the Kharkiv region.

In the town of Peski-Radkovskie, the local center for children and library were mined. Explosives were hidden behind a pot of dried flowers and in toys. Russian sappers defused explosive objects.
