

“Unfit for Leadership of this Country – I’m in Shock!” – Tucker Carlson GOES OFF on Joe Biden after His Grotesque, Partisan Speech Following Texas School Shooting (VIDEO)

Description

USA: Joe Biden delivered a hateful, partisan, disgusting statement following the mass shooting at an elementary school in Uvalde, Texas.

Joe Biden: “Deer aren’t running through the forest with kevlar vest on, for God’s sake... Most Americans support common-sense gun laws... These kind of mass shootings rarely happen anywhere else in the world. These kinds of mass shootings rarely happen... Where in God’s name is our backbone... It’s time to turn the pain into action. It’s time to act... It’s time to let people know who block common-sense gun laws we won’t forget.

Following Joe Biden’s grotesque, partisan speech Tucker Carlson WENT OFF!

Tucker Carlson: “The President of the United States, frail, confused, bitterly partisan, desecrating on the memory of recently murdered children with tired talking points from the Democratic Party. Dividing the country in a moment of deep pain rather than uniting. His voice rising, amplified only as he is repeating the talking points from over 35 years in the United States Senate. Personal politics being the only thing that amplifies him. Unfit for leadership of this country... I’m in shock.”
