

Unspeakable Evil: Fauci Admitted to Creating "Doomsday Virus," Gain-of-Function Weapon – FULL SHOW 9/8/21

Description

On the heels of a FOIA suit by The Intercept that received to 900 pages of documents proving Fauci created Covid-19 in the Wuhan lab, a video from 2012 has surfaced of Fauci confessing to the creation of a doomsday virus. The author of the US bioweapons law – and former top UN prosecutor – Dr. Francis Boyle will join Alex Jones live on air to discuss the next steps of Nuremberg 2.0 and Fauci's arrest.
