

Video: Digital Tyranny and the QR Code. The WHO Pandemic Treaty is the Back Door to “Global Governance”

Description

*“The World Health Organization has started drafting a **Global Pandemic Treaty** on pandemic preparedness that would grant WHO absolute power over global biosecurity, such as the power to implement digital identities / vaccine passports, mandatory vaccinations, travel restrictions, lockdowns, standardized medical care and more.*

This Pandemic Treaty, if implemented, will change the global landscape and strip you and me of some of our most basic rights and freedoms.

Make no mistake, the [WHO Pandemic Treaty](#) is a direct attack on the sovereignty of its member states, as well as a direct attack on your bodily autonomy.” (Peter Koenig)

The Pandemic Treaty is the “Back Door” towards “Global Governance” and Digital Tyranny. It is the End of “Representative Democracy”

Image not found or type unknown

“In the words of the late David Rockefeller:

“...The world is now more sophisticated and prepared to march towards **a world government. The supranational sovereignty of an intellectual elite and world bankers** is surely preferable to **the national auto-determination practiced in past centuries.**” (quoted by [Aspen Times](#), August 15, 2011, emphasis added)

The Global Governance scenario imposes an agenda of social engineering and economic compliance. It constitutes an extension of the neoliberal policy framework imposed on both developing and developed countries.

It consists in scrapping “national auto-determination” and constructing a Worldwide nexus of **pro-US proxy regimes** controlled by a “**supranational sovereignty**” (World Government) composed of leading financial institutions, billionaires and their philanthropic foundations.” (**Michel Chossudovsky**)
