

## Videos: Reps. Marjorie Taylor Greene and Lauren Boebert Heckle Biden During SOTU

### Description

**USA: Representatives Marjorie Taylor Greene and Lauren Boebert both heckled Joe Biden during his gaffe filled squinty eyed State of The Union address, calling out his failures in Afghanistan and on the Southern border.**

Boebert couldn't take any more of Biden talking about dead troops in a jingoistic fashion and when he said the "waste of war" put soldiers "in a flag draped coffin," Boebert yelled out "THIRTEEN OF THEM," referring to the troops who died during Biden's catastrophic withdrawal from Afghanistan.

Watch:

Also note how Nancy Pelosi was [bizarrely rubbing her hands](#), smiling and chatting to Kamala Harris while Biden spoke about dead and sick U.S. troops.

Later on during the speech, Boebert and Taylor Greene chanted "build the wall, build the wall" as Biden turned to immigration, in an effort to remind everyone that a record 2 million illegal immigrants have basically walked into the country in Biden's first year.

Watch:

Biden's response was to assert "You can't build a wall high enough to keep out...uhh...a uh, a vaccine":

Huh?
