Description

These are questions I get asked all the time and in this video, you'll find out how Germany has dealt with this topic publicly since the end of WWII [00:01:52], what German students learn about it in school [00:09:22] (I asked my German viewers for their experiences!) [00:14:40], and whether or not it's okay to confront a German with the topic [00:29:37]. Anni's (@AmericasGotGermans) full response video?
