

World War III Approaching! Russia Will Bomb NATO Convoys Entering Ukraine!
[MUST-WATCH]

Description

Is a nuclear war right in front of us?
The situation is getting worse, and maybe we have to prepare ourselves for the worst!

The US, Europe, Ukraine, Russia, and China are the leading powers, and we, the ordinary people, are going to pay for their mistakes.

The more mistakes they make, the worse it would be for us.

Now, Russia has announced that they will bomb NATO convoys entering Ukraine.

Alex Jones explained how the US and NATO are bringing the world closer to a global nuclear war by supplying heavy weapons to Ukraine, as Russia warns actions constitute retaliatory measures.
