

## Zionists Continue to Get Away with Murder (VIDEO 22 min)

### Description

*Press TV interviews Veterans Today Editor Kevin Barrett from Wisconsin and Sondoss Al-Asa'ad from Beirut*

Baruch-Goldstein-worshipping Ben Gvir demands mistreatment of Palestinian prisoners, then storms and threatens al-Aqsa. Netanyahu punishes the PA for taking Israeli genocide to the International Court of Justice. Israel continues to enjoy complete impunity for its deliberate murder of Shireen Abu Akleh...and for JFK, RFK, the USS Liberty, 9/11, and so much more. When will Americans wake up and put the Genocidal Zionist Entity (GZE) out of business?
